### The Organization

The Adopt A School Partnership of Longview (ASPL) matches business and community involvement with all the campuses in the Longview, Pine Tree, and Spring Hill Independent School Districts. Adopters decide how they want to participate and what schools they want to adopt. They can adopt a particular campus, a school district, or all three districts. There are no fees or dues to become an adopter. The contributions of time, talent, in-kind donations or financial assistance go directly to the schools.

### Mission Statement

The Adopt A School Partnership of Longview promotes increased involvement between the community and the public schools to enrich and support the educational environment in Longview.
